## BONUS VIDEOS FAQ

Since we introduced the bonus videos in our sister magazine, *SCORE*, last year, some readers have been hesitant to view them or simply haven't done so at all. And that's because they're skeptical. A little skittish.

If you fall into that group, this is for you. We want to assure you that there are absolutely no strings attached. Free means free. So here goes with a quick FAQ.

**Is this a trick to get my personal information so you can sell me something else or sell my information to another company?**

Absolutely not. When you go to the home page for the videos (for this issue, it's [www.scoremag.com/ET2205](http://www.scoremag.com/ET2205)), the only information you're prompted to enter is your bonus code (see below for your exclusive code for this issue). No email, credit card or personal information is required or requested. It's all completely confidential.

**Okay, fine, but don't deny it: I'll still get a ton of malware and spam, right?**

Nope. All of our websites are 100% malware-free. You won't get any spam because we don't request any personal information. Since we do not use cookies, you're not at any risk of getting unwanted emails or pop-ups. Basically, we'll have no idea who you are.

**I gotcha. But you're just going to show me a teaser of the scene and make me pay to see the rest of the video, right? Or you're going to try to upsell me to another scene.**

Nope. No teasers. Once you access the bonus video page, you'll be able to view or download the full videos. And there are no upsells in the bonus video website. We won't try to sell you anything else. We're very thankful that you purchased *18eighTeen* magazine. That's enough for us!

Watch the bonus videos and enjoy the full, new *18eighTeen* experience!

# VIRGIN TERRITORY

READER FORUM FOR HOT TOPICS, QUESTIONS, COMMENTS AND SUGGESTIONS.

## Small Boobs for the Win

Dear Virgin Territory,

I just want to say that I have been loving all the A-cup and B-cup girls in your magazine. I've been a reader for about two years now and have always fancied girls with small breasts. Now, with your magazine, I have found a publication that truly gets it! Innocent flatties and B-cuppers in cotton panties are where it's at. One of my favorite pastimes is spotting small-chested girls in public who aren't wearing a bra. It happens more often than you'd think, likely because they don't need the support of a bra. As much as I love seeing a naked chest, I find it equally arousing to see a bra-less girl in public. There's something naughty about it, like I'm seeing something I'm not supposed to. And it is fun to both see the natural shape of the breast and still have something left to the imagination.

Some of the girls who have caught my eye have been Redly (what a fox!), Adria Rae and Hayley Reed. There have been plenty others as well, but these are the girls I remember off the top of my head. I have a soft spot (or should I say hard spot)

in particular for Redly. There's just something about a fresh-faced redhead that I can't resist. She is pristine in every way. Anyway, I just wanted to let you know that you're doing a fantastic job. Keep it up.—E.S., Chandler, Arizona

Dear E.S.,

Thanks for writing in. The girls you've mentioned are quite sexy. We hope you'll stick around for a while. As thanks for reading our magazine, here's a bonus photo of Redly.

## Sveera Fire Is Smokin'

Dear Virgin Territory,

Sveera from Vol. 22 No. 3 is fucking hot. I love her tight body. You can tell she really takes care of herself. Fit babes turn me on, and Sveera was the fittest in that issue. She's thin but athletic looking. She

reminds me of my favorite dancer at the strip club who has the same little tits, tan lines, perky ass and blonde hair as her. That centerfold shot of her in the pile driver position made me empty my balls. Sometimes the stripper I mentioned will get into that position on-stage—with no one fucking of her, of course. Now I'll have an excellent image in mind next time she does it. I try to get a lap-dance from her whenever I can—if only they would end up the way Sveera's layout does!

I like tits and ass as much as the next guy, but what really gets me going is seeing a nice pussy and asshole. Both of Sveera's holes look tight and inviting. Her pussy looks like the perfect fit for a hard cock, and that brown eye of hers is begging for some action. I see some pussy juice around her taint and on the guy's shaft in the bottom photo of page 52, which means that Sveera was enjoying herself. I know I enjoyed her.—K.N., North Hempstead, New York

Dear K.N.,

If you liked Sveera's photos, you should check out her XXX video in Coachin' Newbies, which you can order online at [eboobstore.com](http://eboobstore.com).

## Mindful Masturbation

Dear Virgin Territory,

Kyler is a magnificent new find! I love her small tits and ass. She's a beautiful girl and I love the panty show she puts on for us. I'm not sure

if other readers do this, but I really like to take my time with your magazine. I don't flip through the pages in a hurry. I open each spread and take it in fully, making sure to examine every detail—especially when the girl is as beautiful as Kyler. In the past, I used to rush through the magazine and my whole life, really. But recently I went through a mindfulness training and it has changed my life. I enjoy everything much more now that I stop to be present in the moment, including your magazines!

So when I got to Kyler's pictorial I practiced mindfulness, even though my raging hard-on was urging me to flip through the pages to see her fully nude. At first, I admired her pretty face and got lost in those blue eyes and sweet expression. Her body is so petite and her waist so tiny. I could just imagine how small and delicate she would feel in my rough hands. Her pointy nipples are so suckable. I flipped the page and was really impressed with the photo at the bottom of page 38. What a great perspective of a girl taking off her panties. On this page we are seeing more of Kyler's playfulness. Then on page 39 we are finally treated to her nudity. I took her in from head to butt—her pussy was every bit as sexy as I thought it would be.

I won't take up more of your time describing my experience with the rest of her photos. But suffice it to say, this was a grade-A set and a grade-A teen model. I must've spent

20 minutes on this pictorial alone. I can't wait for future pictorials of the beautiful Kyler.—F, St. Paul, Minnesota

Dear F,

*There's a real treat for you in Vol. 22 No. 4—Kyler taking on a big, hard cock!*

## Cock-Hungry Carmen

*Dear Virgin Territory,*

I love skinny, little sluts like Carmen. Even though they're tiny, they can handle huge cocks and hard poundings. At least that's the vibe I get from Carmen. She looks especially cock-hungry. And the way she's teasing me by spreading her ass cheeks and showing her asshole really makes me want to give it to her good and hard.

I also wanted to mention that seeing her in that stable reminded me of a time I had sex in a shed. Not the nicest or most comfortable place to fuck, but it was so hot I didn't care. I was 18 and we needed somewhere private where we wouldn't get caught, and the shed worked out just fine. The way it went down was exactly how Carmen described her fantasy: I pressed the girl up against the wall, lifted up her skirt and fucked her from behind while she bit her lip to not scream. Ever since then I've had a thing for sex in unusual places.

If Carmen ever needs someone to help her fulfill her fantasies, I'd be happy to volunteer. The dirtier the fantasy, the better. And if she needs someone to introduce her to the won-

## Your Dream Girl

Dear Virgin Territory,

Is Lillian from Vol. 22 No. 3 really a virgin? That is so intriguing. How do you find a girl who is willing to

pose nude who is still a virgin? I'd imagine they would be reserved about that kind of thing. Whether it's true or not, I sure had fun thinking about what I'd do to Lillian. So much so, that I actually had a dream about her! She came to me and told me that she wanted to lose her virginity to me, an older man with experience. This has always been one of my biggest fantasies, so it was music to my dreaming ears.

In my dream, I undressed Lillian and worked over her pink nipples with my tongue while I stroked her slit. Her wetness covered my hand, so I made my way down to her slit to taste that cherry pie. In my dream, it was so sweet and delicious. She moaned and shivered and gifted my tongue with her virginal cream. I laid her back on the bed and probed her slick entryway with rock-hard cock. Inch by inch, I made my way in until

I was balls deep and she was no longer a virgin.

Although my days of wet dreams are over, I did wake up with a rock-hard boner that I was happy to take care of. While I was a little sad that my dream was over, my cock needed relief—I didn't cum in my dream—and what a massive load I blew thinking about popping Lillian's juicy, little cherry. I hope that one day she returns to your magazine no longer a virgin and ready to show us what sexual things she's learned.—W.Z., Minneapolis, Minnesota

Dear W.Z.,

*The photographer who shot Lillian is the one who informed us that she was a virgin. We believe him!*

## Zoe Knows How to Please

Dear Virgin Territory,

Thank you for finally featuring Zoe's hardcore pictorial. I find her very sexy and have been eagerly waiting to see her suck and fuck in your magazine, and I was not disappointed. As soon as I saw her in the table of contents, I immediately

turned to her pictorial with my cock in my hand. She swallows that cock so nicely, making full eye contact with us like a good little slut. Seeing her meaty pussy lips wrapped around that pole made my cock throb. I would love to feel that and to see her toned body above me, bouncing up and down on my cock. She must've fucked that cock nice and hard because he gave her face a good glazing. After writing this, I feel a stirring in my pants and think I need to go back to Zoe for seconds. —J.G., via email

Dear J.G.,

*Glad you enjoyed Zoe's layout. Here's a bonus photo of her to get you going.*

## Taste Her Candy

Dear Virgin Territory,

I'm not sure if your magazine is the right one to send this to, but I figured I'd give it a shot. I recently got a

hold of The Score Group's *Naughty Schoolgirls* Spring 2018 issue and loved it. This is hands-down the best schoolgirl magazine I've ever seen. In fact, I can't recall if I've ever seen a schoolgirl-themed magazine before—which is a shame because it's a hot market! There were so many hotties in this issue, from Alex Mae to bisexual Isabella and Teagan. Adria, Alex, Foxy—they're all amazing. But the

one who really blew my socks off was the covergirl, Candy. She looks so sweet...what's she doing showing her pussy? Just goes to show you can't judge a book by its cover.

She looks like the girl-next-door who just got home from school and needs to masturbate before dinner. I had lots of fun wanking to her pictures. I would love to taste her candy, if you know what I mean. I'm sure she's as sweet as she looks. Now we just need to see this cutie taking a big, fat cock. I would love to see her candy pussy stretched out and that pretty face covered in cum. Maybe in a future issue of *Naughty Schoolgirls*?

### Your Teen Anal Guide

Dear Virgin Territory,

I love teens doing anal. Can you please tell me if you have any anal teens coming up and what your best anal movies are? I see lots of MILFs doing anal, but not as many teens. I need my teen anal fix! I only have a few issues of 18eighteen so I'm not sure where to start, but your girls are really cute and I would love to see

your anal princesses. Bonus points for girls who get anal creampie.

### Crazy for Karina

Dear Virgin Territory,

Karina, the covergirl of the Vol. 22 No. 3 issue, is stunning. I tried doing an online search of her but nothing came up. Do you have any more sets of this beauty? Is there a last name she goes by? I would love to see more of her. She looks like a beauty queen, like the type of girl you would see on the cover of a fashion magazine or in an advertisement. What a figure she has, and her long hair and big eyes are so seductive. She's a total knockout! I'm guessing

she must've been an amateur when she shot those photos, as she seems so fresh and bright-eyed. She has a great career ahead of her if she chooses to stay on this path. No matter what, she'll always have a lifetime fan in me.—A.M., Sacramento, California

Dear A.M.,

Karina is the only name we have for her, and that is the only set we have of her. We think she was a flash-in-the-pan model who shot on a whim and then disappeared into obscurity.

## WINTER: Tight Student Body

**Her name may  
be Winter, but  
she's hot!**

There's nothing cold about this sexy co-ed. She says her favorite kinds of dates are the ones she gets fucked on, and she loves to flirt and show off her figure. She's come to the right place for that. "I think I have a good body. I might as well show it off while I'm young. I like to be watched, so taking naked pictures has been one of my hottest fantasies for a while."

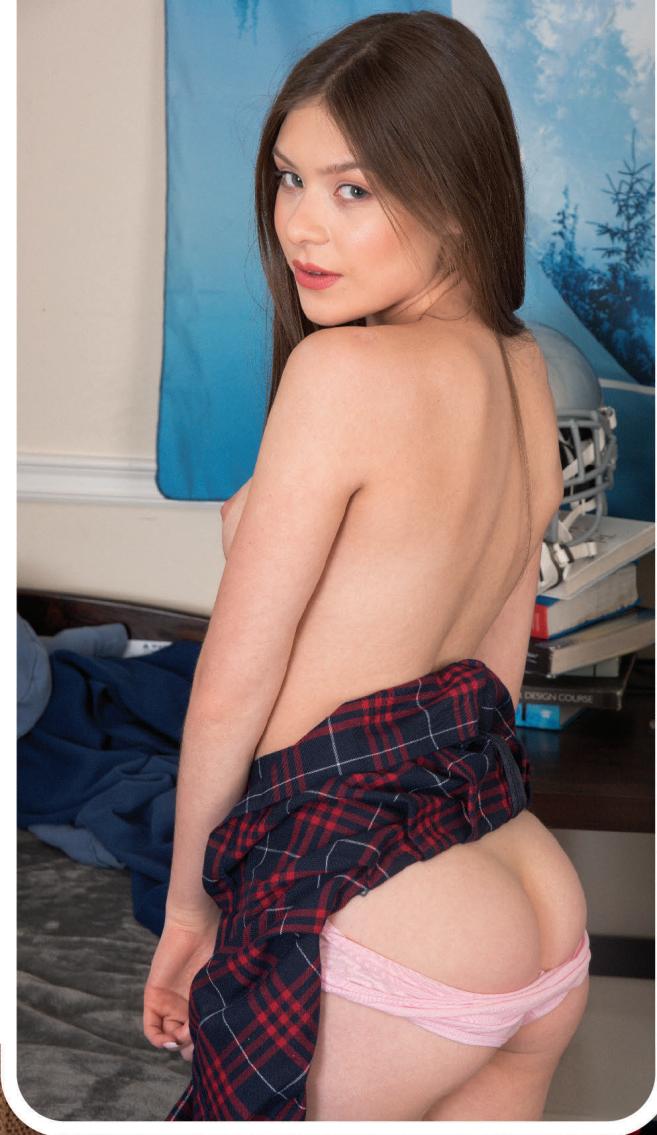

## Do you have any special talents?

"I know how to pole dance. I like the idea of guys watching me and being turned on while I pole dance. I wear the skimpiest outfits to the dance studio, and I dream about having an audience besides the other girls who are there practicing. Maybe one day I'll get on stage and do it."

## Do you have any other fantasies, Winter?

"I've always wanted someone to bend me over their car and fuck me hard. And this isn't exactly a fantasy because I do it in real life, but I love to have my toes sucked on. Guys who are into feet are the biggest freaks, and I like that because I'm a little perv too."

She couldn't believe it. The new semester wasn't two weeks old, and she was already in trouble. At first, all she could think about was getting it over with. After one detention session, though, Haleigh never expected she'd be a sucker for some...

**"This is so fucking humiliating!"**

"Relax, it's only one day. Text me when you get home, let me know how it went," Shannon said, giving her bestie a fist bump. Haleigh checked the wall clock, waiting the final half minute before going inside. She refused to give Miss Lind the satisfaction of one second longer in detention than necessary.

"Sit wherever," said Mister Grant, not bothering to look up. With one exception, Haleigh could have. The only other kid in the room was Roger. As with everyone who got detention, the further from the front the better, so with Roger taking up the last desk in the middle row, she took the corner seat to his right. After hanging her bag on the back of her chair, she planted her ass down hard, still furious, and pulled out her tablet.

"No devices," Grant said, stopping her.

"How am I supposed to do my homework, then?" she asked with a hint of sass.

"Homework. Yeah, right."

He went back to reading on his tablet. Haleigh huffed and put away her iPad, taking out her notebook. She had no clue what she would do with it, but it felt better to have something to focus on than the clock, Mr. Grant and nerdy Roger.

Two minutes in, that was all. This was not going well.

She glanced at Roger, surprised to see him here. Kid was a straight-A student. She couldn't remember him ever getting detention. She checked the clock again. Three minutes, fifteen seconds. Oh joy.

"Pssst."

Despite there only being the two of them, he double checked to be sure she meant him.

"Yeah?"

"What are you in for?"

Roger shook his head, looking disgusted.

"Miss Lind got pissed off because I corrected her. She said Artemis was running moonshine in Tennessee Gold, so I said, 'No, it was Dobbs.' When I pulled it up, she said I'd been 'disrespectful.' Pffft."

"You're kidding! She got me today, too. Caught me tex-

ting in class. Hmph. Like that's even a big deal."

She lowered her voice, seeing Mr. Grant look up. Only, he wasn't paying attention to them. He was eyeing the door. Haleigh wasn't surprised when she saw why. Miss Canden came in, her boobs crossing the threshold a full second before the rest of her. Canden, who the boys referred to as Cans-den given her mammoth chest, had changed out of her school clothes and was wearing a top cut so low you could practically see her nipples.

"Got a minute, Adam? I'm covering Angela's class tomorrow and I could really use some pointers."

"Sure!" Grant said, all but running into the hallway after her.

"Oh, uh, be right back. And no talking!" he said to his charges, closing the door behind him. Haleigh pushed her desk closer to Roger's so it would be tougher to hear them talking. The last thing she wanted was another detention.

"He's gonna get drool all over her knockers," Haleigh said. "Did you see that shirt she was wearing? If Trisha Benitez wore that, she would get suspended!"

"Huh? Oh, yeah," Roger agreed, trying not to look up front. He was hunched over his desk, pen in hand, but...he wasn't writing. Upon further inspection—Haleigh was close enough now to look under his desk—it was easy to see why. He had a raging hard on.

"I take it you noticed?" she said, just the hint of a tease in her voice.

"Noticed what?" he asked, not fully turning to look at her.

"Like, the fact that her tits were practically sticking out of her top?" she explained, chuckling.

"Who?"

At first, she thought he was joking. Or, trying to cover his ass, seeing as he couldn't possibly cover that bulge. But, he'd been paying a lot of attention to his notebook, from the moment she'd arrived. And, there sure wasn't much writing. Had he actually missed Canden stopping in? Because if so, that meant...

Ooh, she thought, crossing and uncrossing her legs. The tartan skirt she was wearing rode up a little. The pressure of her thighs rubbing

together made her sigh.

Roger looked away. The pen still wasn't moving. Possibly because his hand was numb, seeing as so much blood was filling his dick. Holy shit was it straining against his jeans. Haleigh could picture him needing to visit the nurse, thanks to the marks his zipper teeth were leaving on his junk.

Haleigh looked toward the door. Grant's shoulder was pressed against the glass panel, his back to them. Clearly, Cans had his complete and undivided attention.

What the hell, she thought. The door was closed. All she had to do was keep an eye on it.

She slid her desk closer, right

against Roger's. He turned to her, stunned. When she reached between his legs, he gasped so hard he nearly choked. She gave his dick a squeeze.

"Open your jeans," she whispered. "Now...fast!"

Roger stared at her, not moving. Vapor locked. She could understand. A nerd like him, getting asked by a girl plenty of guys wanted to fuck, to open his pants in detention so she could jack him off? That probably only happened in fantasies. Late at night. Under the sheets. With Vaseline covering one hand.

"Oh, alright," she said, the tease returning to her voice. "If you wanna make me work for it."

She undid his pants, fighting the zipper down. His prick did the rest, lifting the waistband of his shorts so she could reach right in and grab hold of his prick.

"What are you doing?" he hissed.

"You took Sex Ed in tenth grade," Haleigh replied. "I'm pretty sure you have an idea."

His tip was sticky, pre-cum drib-

bling out of him, the panel in his underwear slimy with it. It felt warm on her knuckles. For the first time, she realized she was getting hot. He wasn't the only one with a little fluid flowing down south.

"H-Haleigh," he said, struggling to say her name. "This is nuts!"

"I thought this was," she said, reaching deeper and fondling his ball sac. "Lean back a little, will you? I need some stroke room."

He did. She shoved his Jockeys down, exposing his massive throbbing erection.

"We're gonna get suspended for life!" he told her, the complaint totally half-hearted. He was starting to get into it.

She flashed a look toward the door. Grant hadn't moved. Well, not really. He appeared to be looking down now. Probably staring into Canden's cleavage.

"Hey," she said, wriggling forward, her skirt riding up even further. It was one of her shorter ones, so now, it was hiked up so far Roger was staring at her panties. She stuffed her fingers in and yanked them to the side.

"What do you think?"

"I think you're going to make me cum," he said, ogling her wet, pink pussy.

"First things first," she said, grabbing his hand. "I want to watch you taste me."

While the lame Sex Ed video hadn't covered this, Roger knew exactly what to do. He stuck his middle finger up her twat, working her swollen clit with his thumb. He finger-fucked her, finding her G spot almost immediately. She bucked, turning sideways, allowing him easier access to her slick mound. She tightened her grip on his shaft, jacking him faster.

"Like this?" he asked, withdrawing a split second after making her cum. He held up his sloppy fingers, then slowly stuck them in his mouth.

"Oh, fuck that was good!" she whimpered, both of them looking over to check on Grant. He appeared to be laughing at something Canden had said. That was a good sign. They were still preoccupied.

"Turn this way!" she ordered, get-

## ANASTASIA: Baddie in Braces

### **She's back for more dirty antics!**

Anastasia should be studying, but how is she supposed to do that with a wet, horny pussy? "It's so hard to focus when your panties are soaked. That's why I have to study extra hard. I'm always distracted by my horny pussy in class! All I can think about is cumming on a hard cock."

## **Speaking of cumming on a hard cock...**

Anastasia did that in our studio. But this time around, it wasn't just her pussy cumming. "I got fucked in the ass! It was so exciting. That guy was freakin' hung! I feel like I levelled up my sex skills after taking that huge dick in my ass." Stay tuned, readers. You'll be seeing this soon!

A full-body photograph of a young, nude blonde woman with long hair and braces. She is sitting on a bed, leaning forward with her arms resting on her legs. She is wearing a small necklace with a small pendant. The background is a brick wall.

## Are you popular with the boys in school?

"You could say that. I probably spend just as much time under the bleachers making out as I do in class. I never have any trouble finding a date, and a lot of other girls hate me for that. What can I say? I love to flirt...and I love to fuck. The girls don't need to be jealous though. I love pussy and I'll fuck them too. One-on-one or in a three-way."

# Study Fuck Buddies

**Group study  
just got a whole  
lot more fun!**

**Ava and  
Heather**

In the regular world, students get together to study and work on their group projects. At *18eighteen*, they get together with every intention of doing their homework, but end up swallowing cocks, licking pussies and cumming hard. Our version is way more fun! Just ask Ava and Heather, who both sample the football captain's cock and balls. Carmen takes on two dudes in study hall. And Sindy and Jodi enjoy each other and a hard dick.

**Carmen**

**Sindy and Jodi**

**Mandy and Katie**

**Chastity and Collie**

Mandy and Katie make one guy's dreams come true when they say forget studying, let's have a threesome! Chastity and Collie get put in a group with the biggest slacker in school. They make sure he puts in the work by fucking both of their pussies good and hard. Jayden is a bold, little teen. She accepts tutoring lessons from Ms. Gia, an older woman who instructs Jayden on how to properly give head and fuck. She also teaches Jayden how to suck nipples and pussy.

**Jayden  
and Gia**

**Trixie and Ava**

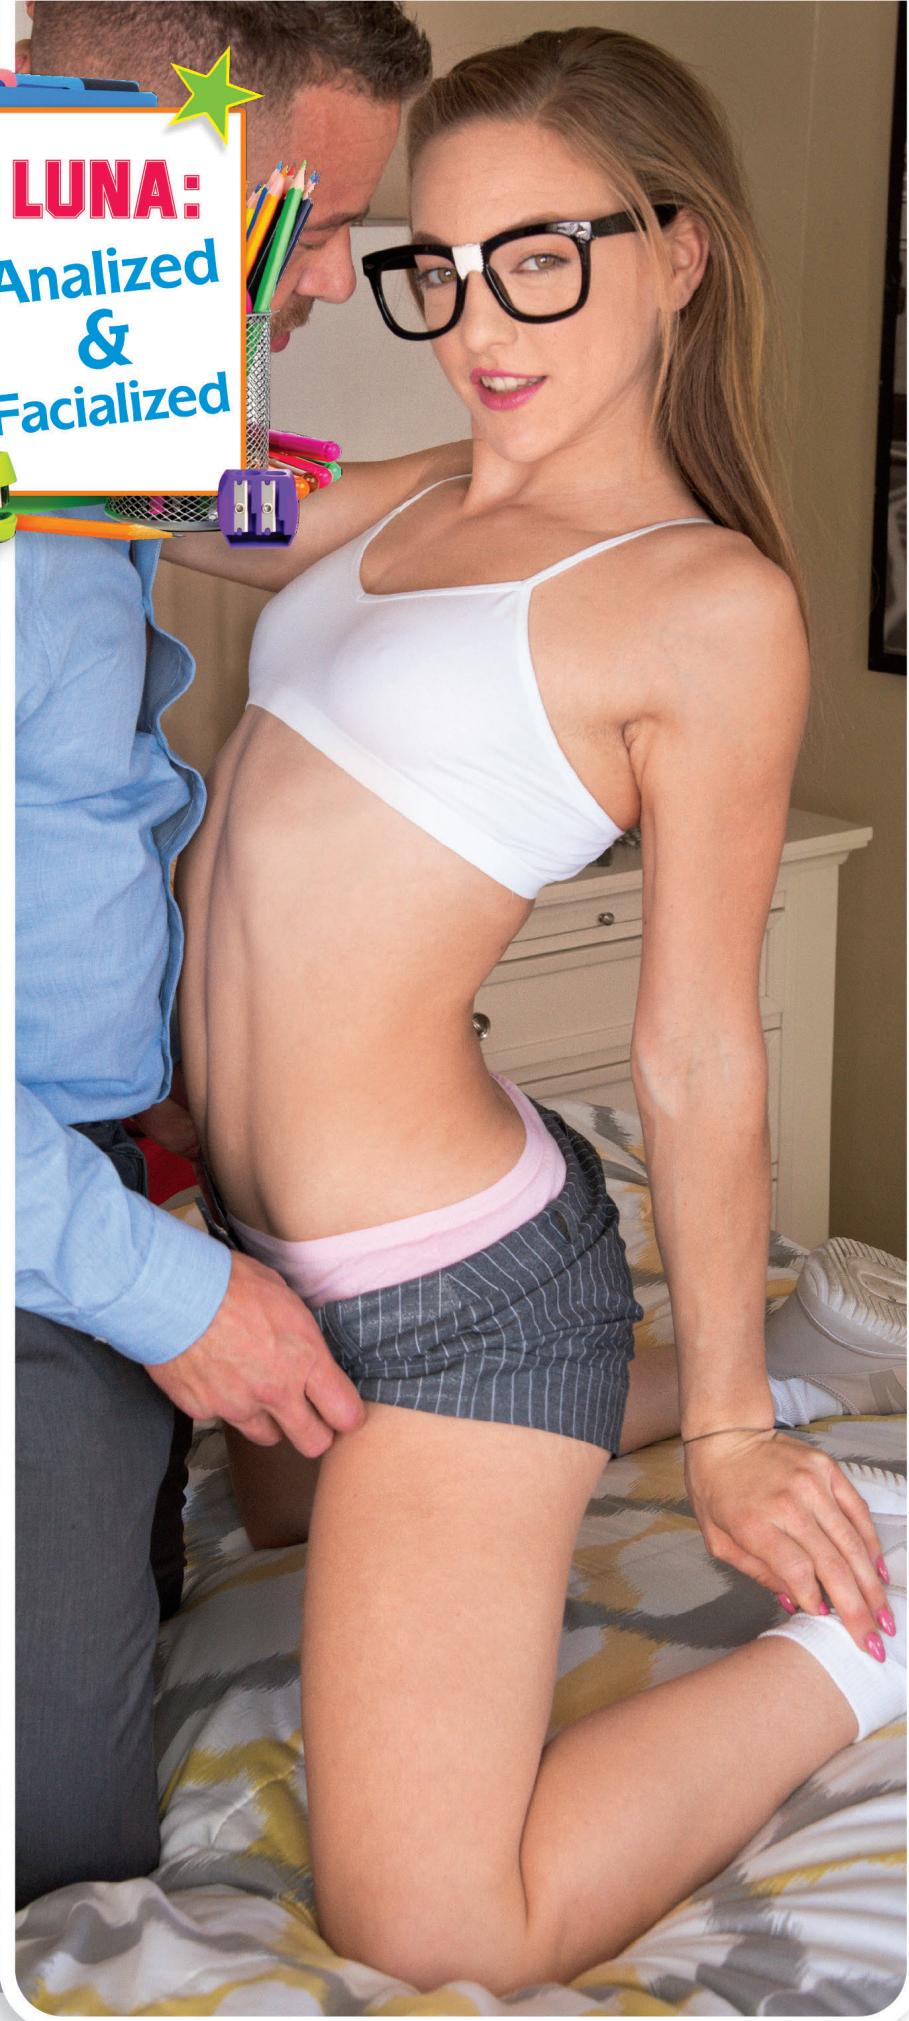

**Celine  
and Foxy**

Older women are the best teachers, as both Ava and Foxy learn. Trixie gets Ava to take a cock deeper in her throat and her pussy than ever before. Celine shows Foxy how to work a cock to get the biggest load possible, and then they share the guy's cum. Lexy and Kharlie are besties who do everything together, including their first three-way. Now that's a lesson!

**Lexy and  
Kharlie**

### **It's Luna's lucky day.**

She's home alone studying, and her dad's friend just happens to stop by. Luna has a crush on him, and judging by how hard his cock gets, it looks like he has a crush on her too. We can't blame him. Even men of the strongest constitution wouldn't be able to resist her hot body. "I thought it was going to be another boring afternoon of studying. Boy, was I wrong!"

## Shouldn't you have been doing homework?

"Homework can wait! This was a once-in-a-lifetime opportunity. I'm almost never home alone, especially with my dad's friend! I had to make sure to get my fill, if you know what I mean." Yes, we do. You can also see what she means by watching this scene in *Fuckin' Nerds 3*. Check out the preview on page 12.

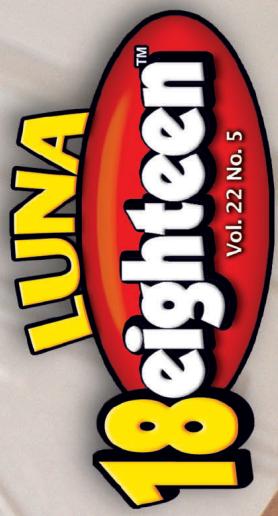

## How'd you like fucking him?

"His cock was so big that for a moment I thought I bit off more than I could chew. But I'm not one to turn down a challenge. I was proud of how I sucked his cock—I took just about all of it in my mouth! Then we started fucking, and it was so hot that I told him to put it in my ass! Now, that was a tight fit! But once I got used to it, it felt better than anything."

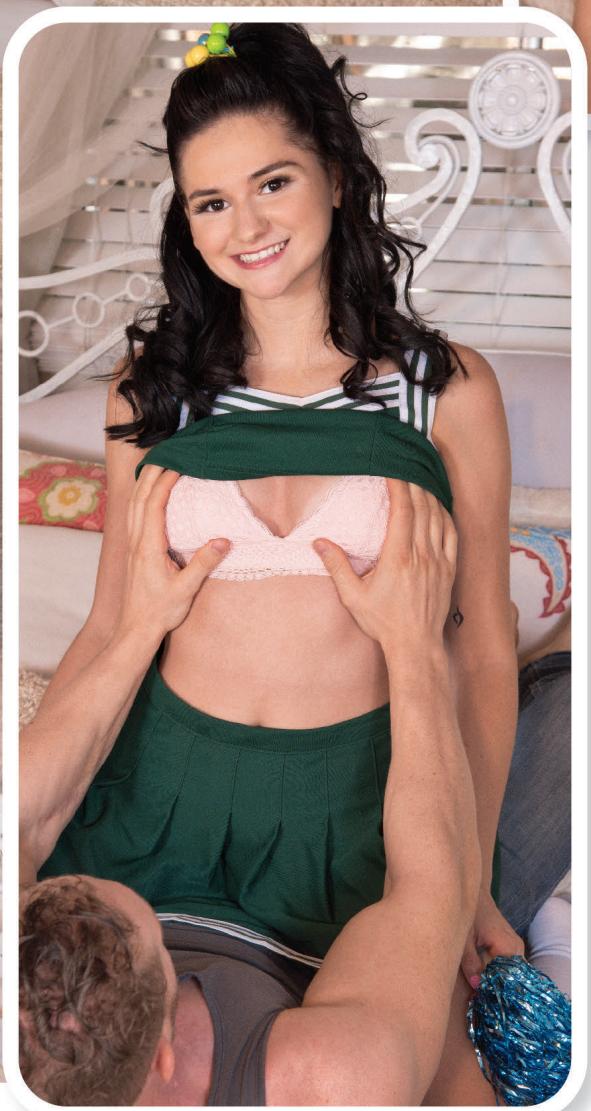

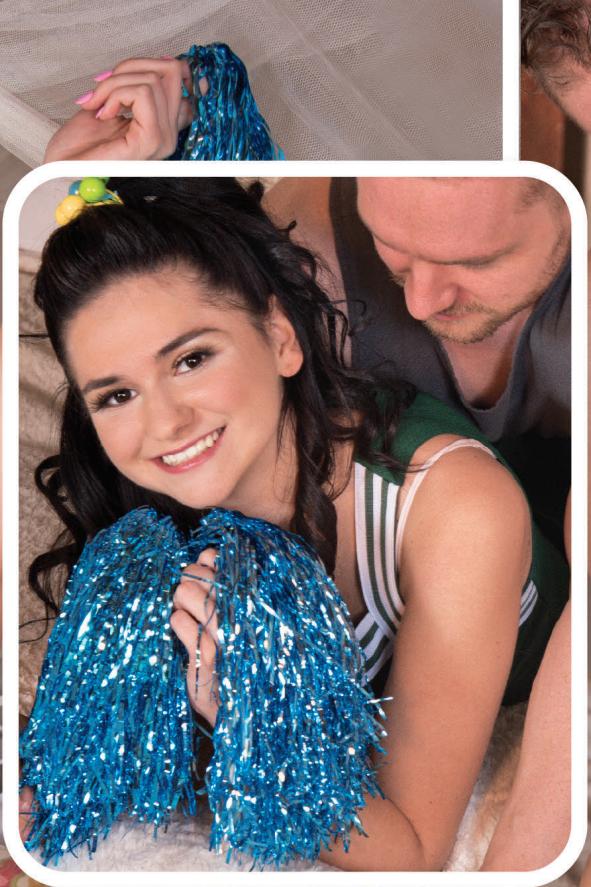

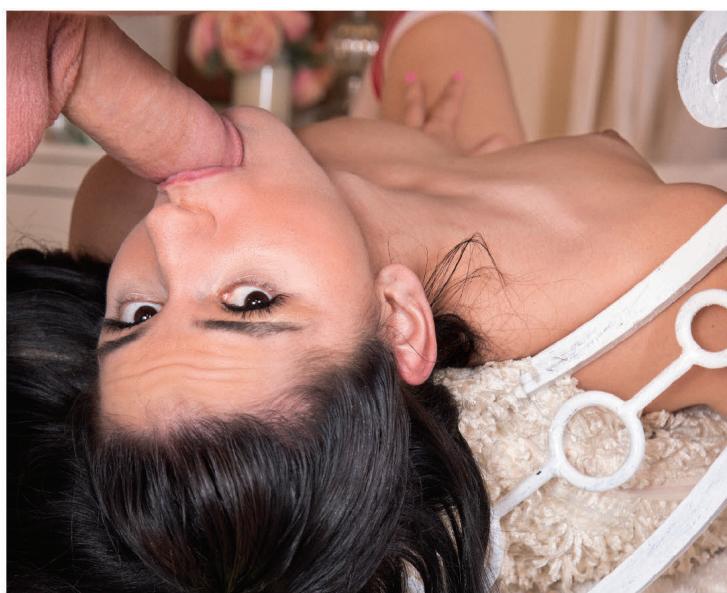

### Let's give three cheers for flatties!

Cheerleader Violet is a cutie with a booty, but she doesn't have much up top. During an afterschool make-out session, her boyfriend finds TP stuffed in her bra. He likes her little titties the way they are, and the only thing that needs stuffin' is her pussy!

**He gets a boner for her itty bitties.**

In the video, Violet's boyfriend munches her twat and fingers her slit. Violet wraps her lips around his fat cockhead. Then he slides his pole into her shaved pussy. While they fuck, Violet lies on her stomach and spreads her asscheeks, showing us her tight starfish while her clam is stuffed with meat. Watch the hot action online at [18eighteen.com](http://18eighteen.com).

## Do the other cheerleaders have big boobs?

"Yes! So my little secret is that I stuff my bra. I was so embarrassed when my boyfriend finally found out. But he made me feel way better when he said he liked my little tits. Then he fucked me really good and squirted all over my face. That was a first for me! He's even convinced me to not wear a bra because he thinks that's sexy. I think I might try it out!"

ting him to face her. She grabbed hold of his jeans and shorts, bringing them down a good ways.

"Are you crazy?" he asked. Not that he tried to stop her. Not when he saw her getting on her knees.

"You aren't the only one who gets to taste," she said, bowing her head and going down on him.

In this position, he was tasked with lookout duties. The thought of possibly getting caught giving a blow job, in detention? That took things to a whole new level. What would her mom say when she came to pick her up? She half-wished they did get

caught. Cum dripping from her mouth, Roger's fingers smelling like her pussy. God, how fucking cool would that be? They'd be legends of their class!

Roger might not have had access to her oozing box, but he didn't pass up on the chance to play with Haleigh's boobs, reaching into her white blouse and into her A-cup bra.

Maybe he really hadn't paid any attention to Canden, because he was sure having a good time tweaking her nips and teasing her breasts. The fact that they were small didn't seem to bother him at all. Her caps were so hard. And, the more he rubbed, the more her pussy dripped. Had he been paying attention to Haleigh since she'd gotten to detention?

"Mmmmmmm. Your pre-jizz is sweet," she told him, his tip still between her lips. She knew guys liked watching chicks give them head, and Roger was no exception. She thought he was going to shoot right then. Instead, he took the fingers he had stuck in her slit and put them in her mouth so she could taste her own tangy juices.

"You are so hot," he said. "I seriously want to grab you by the hair and fuck your mouth."

"Well, what's stopping you?" she asked, running her tongue around his cockhead. "Certainly not me."

He proved to be good to his word, grabbing the back of her head and cramming her mouth full of cock, his tip scraping the back of her throat. That wasn't all of him, though, and she wondered if she'd be able to handle it. She wanted to deep throat him, but she'd only blown three guys in her life, all this past summer, and none of them were as big as Roger. Damn, she'd been in gym class with him a hundred times. How had she never noticed him in shorts!

A thought struck her. She didn't know how, but she had to fuck him.

She didn't give a shit how her friends might look at him, he had a huge dick and she wanted to ride it. Not only that, but he hadn't blown his load yet, and she'd been sucking him off for a good ten minutes. Staying power and a great cock? She was all-in on that for sure.

"Play with my balls," he told her, shoving his jeans down to his knees. Once again, both of them threw a look Grant's way. He had his hand on the door now, his body blocking Canden from view. They didn't appear to be in any hurry to end their conversation.

"Bet he's dying to fuck her tits," Haleigh said, running her fingernails over his taut scrotum. Damn, his balls were heavy. If he unloaded in her mouth, she was going to have a hard time guzzling his jizz, which right now, was at the top of her priority list. She hadn't been lying—Roger's pre-cum was thick and gooey and tasted way better than the other guys she'd blown. She wanted it. Every drop. Couldn't wait for him to pump his load down her throat.

He gave one of her nips a pinch. Not rough, but enough to make her shudder. She wondered how much porn Roger watched, because he was way better at this than she would have expected. She wasn't dating anybody at the moment, but she'd had plenty of boyfriends over the past few years. To the best of her knowledge,

though, Roger had never had a girl-friend. If she was right about that, a ton of Redlands High girls had missed out.

"You are incredible with your mouth," he said, breathing hard. "I, I always wondered what it would be like. I mean...with you."

So, he had been fixated on her. Score one for petite gals with small boobs!

"Not incredible enough to get you off yet," she giggled, groping his balls and finally managing to inhale his shaft. Nose-deep in his pubes, she stuck her tongue out and showed off a little, licking his nuts.

He thrust, hands still on the back of her head. She gagged, but didn't quit on him. She expected a river of semen to gush over her tongue, but no, not yet. Now, she didn't care what it took—she was going to make him fuck her, every way possible. Every position they could come up with. Whether it was here in detention or somewhere else. Fingers crossed that he didn't have any plans tonight!

"Gimme your panties," he said

Whoa. Now things were definitely getting wild. But she didn't hesitate. Mouth still wrapped around his bone, she slithered out of her bloomers and flung them at his chest. Then, it dawned on her.

He wants to jizz in them!

Maybe, she thought. But, only after she got a mouthful. Or two.

He didn't pull out and wrap her drawers around his dick, as she expected. He continued to watch her blow him, pressing the wet spot in her bloomers to his nose. Wet? Hah! Soaked through completely, if she was being honest.

"Stand up," he said.

"Un-unh. I can't finish what I started if I get up," she said, jacking him furiously, lips wrapped around his tip.

"Come on," he pleaded. "Just stand up for a second."

She wasn't sure if he wanted to delay erupting in her mouth a few seconds more or what, but she stood, reluctantly relinquishing her liplock on his meat.

"Okay," she whispered. "What do you want—"

He pulled her close, wrapped his arms around her waist, and lifted her skirt with his face, plunging his tongue into her cunt.

"Ohmygod!" she squeaked, catching herself. Roger had totally taken

her by surprise, but now that his face was buried in her muff, she didn't put up any resistance. She was horny as hell, she'd only had the little climax he'd given her with his brief finger-bang, and now? She was perfectly content spilling her pussy syrup into his mouth.

She turned her head, but it was tough to see the door without shifting her sweet spot away from his lips, and she wasn't interested in that whatsoever. His tongue diddled her clit. He alternated between swabbing it and suckling it. Not that it would have mattered—fifteen seconds of his dedicated attention resulted in a shockingly fierce orgasm.

He kept at it, but just knowing Mr. Grant or Miss Canden might choose to look in on them at any second was like an aphrodisiac. Besides, Haleigh knew what she wanted, and she wanted it as soon as possible, so... why should she wait?

"Sit back down," she directed. He tried to shake his head, but she pushed his face away from her slit and grinned at him, giving him a long, lingering French kiss. She tasted

herself for the second time, enjoying it even more than when she sucked his fingers. She stepped right onto his clothes, forcing his jeans and underwear down around his sneakers. Startled, he looked past her. It didn't seem like anyone was about to ruin their fun.

"Do you want me to try and—" he began, but fell silent, Haleigh straddling him, guiding the tip of his dick between her smooth, leathery folds.

"Fuck me," she said, not even bothering to lower her voice. "I need to cum again, bad. Like, really bad. Make me cum hard!"

She lowered herself onto him, taking his full length into her tight canal, the feeling so intense she climaxed before he even had a chance to pull back out.

"Ungh," she grunted. "Again!"

She nibbled his ear. He palmed her ass, taking charge, lifting her up and then letting her drop back down into his lap, the slap-slap-slap of her butt cheeks against his thighs adding to the sheer outrageousness of the situation. Haleigh couldn't believe it. She was getting banged, with her deten-

tion monitor and another teacher barely twenty feet away. There was still pre-cum on her chin, and Roger's cream lingered on her taste buds. She undid the top two buttons of her blouse, lifting up her bra.

Roger understood what she wanted, but was hesitant. Haleigh's back was to the door. His dick was crammed up her wet pussy. If he sucked her tits, neither one of them would be able to watch the door. Haleigh kept her eyes on him, her pink buds inches from his lips. She undid another button.

Fuck it, he thought. If they got caught—which was now a distinct possibility—so what? He had no intention of stopping, even if Principal Warren walked in on them. He was desperate to blow his load, either in Haleigh's twat or mouth, he didn't care where. Whichever one she wanted. He'd had the hots for her since as far back as he could remember, and, losing his virginity to her? Like this? He didn't give a shit. It was a dream. He could live with being expelled.

Her tits were gorgeous. Small and pert, with dark pink nipples that he'd

dreamed about too many times to count. Cupping one, he sucked the other, thrusting even harder. Droplets of juice leaked out of her, falling between his legs onto the seat.

"Y-you just have to tell me when you're gonna get off," she said, her fingers in his hair, nails scratching the back of his scalp. "That o-kay?"

"Anything you want," Roger promised her.

She continued to ride him, neither one of them paying attention to the door. Haleigh bit his earlobe.

"Get ready," she said. "This is gonna be a big one."

She wrapped her legs around him and leaned back, supported by the desk, Roger's cock filling her love tunnel. She bit her bottom lip, sucking in breath, chest heaving.

"N-n-nununununow!"

Her back arched. Roger put his hands on her hips, pulling her back down each time she started to squirm up his dick.

"Oh, oh god," she whined. "I can't! I can't hold it in anymore!" She met his eyes, the desperation obvious.

"I'm going to scream!"

Roger slammed it home, pounding her gash, Haleigh's head lolling back, mouth opening wide.

Her panties filled her mouth nicely. He could hear her, her cries of ecstasy dying in the white cotton. She pulled herself against him, gripping his shoulders, shaking like she was being electrocuted. For his part, Roger didn't mind. He'd gotten a peek over her shoulder at the door, and, while for a brief second he thought he'd caught a glimpse of Miss Canden's hair, that was all.

Time wasn't on his side, and they both knew it. Still, he really wanted to give Haleigh one more climax. He didn't know if she would even acknowledge him come tomorrow, this might be the one and only chance he got with her. Just because he'd had a crush on her forever didn't mean she wanted anything more than to get off.

"I'm really close, Haleigh," he said, nuzzling her neck. He was cradling her in a bearhug, both of them dizzy.

"Just a few seconds more, please," she begged. "I'm right on the edge."

"Sure," he said, although he was anything but. "I told you. Anything... you...want."

He fought, trying to hold out just

### Even little miss perfect needs to cum.

Chanel is one of the top students in her class. She has a 4.0 GPA, runs the student council and heads the cheerleading squad. With so much on her plate, she has little free time. "My schedule is packed full, but I have some time to myself between the end of school and cheerleading practice. That's when I change into my cheerleader uniform and sneak in a quick cum."

## Do you have time to fuck?

"Barely. I'm so busy. This one boy was teasing me and said I needed to relax and get fucked. At first I was offended, but then I ended up fucking him in the janitor's closet! He was right, you know. I wish I could have sex more often. Maybe when I get to college!"

**This cute coed has a secret.**

There's a lot we can gather just by looking at Megan. For example, she's a pretty girl with a tight body, and she's a student. But there's one thing you've got to get intimate with her to learn: "I have a big clit! I love to have it rubbed and sucked. Playing with it gives me serious orgasms."

## When did you first realize that you have a big clit?

"It was in the locker room. I noticed my pussy looked different from the other girls'. Mine stuck out more than theirs. At first I was self-conscious about it. But after I started hooking up with guys, they'd always tell me they liked my big clit and meaty lips so I just learned to embrace it."

### **Do you ever not wear underwear?**

"I pretty much always do. If I don't, my clit will rub on my jeans and I'll get all hot and bothered. If I get too turned on, I'll get a huge wet spot on my jeans, and without any panties on to soak it up it would totally leave a wet spot."

## MacKenzie likes to keep it natural.

She's a minimalist with make-up, preferring a bare face to creams and powders. And this fresh student also goes au naturel with her bush. "I clean up the sides and bottom, but I leave my pubes nice and thick on my mound and lips. I think bush is sexy, and it's making a come-back. I tried going completely bald once but it just wasn't for me."

## What do you like sexually?

"I love older men. I find them super sexy. Maybe that's why I like having a bush-older guys really seem to appreciate it. I like it when the guy takes charge and is assertive and gently teases me until I'm begging for him to fuck me. And I get super turned on by sex in public."

one stroke more than she needed.

"Oh, Roger," Haleigh purred. "Oh, fucking, yes!"

She came again, the orgasm making the desk bounce. Luckily, even that wasn't enough to draw Grant's attention from Canden's melons. Roger was grateful. He had run out of time.

"Haleigh," he warned. "Get up!"

She'd barely cleared his lap when he realized he no longer had the panties, his ace in the hole. He stood, spun her around, pulled her skirt down over his dick and emptied his balls into it.

"Uh-oh," Haleigh said, warning him about Grant.

He hauled his jeans up and zipped them, leaving them unbuttoned, his shirt long enough to hide that. His underwear was bunched up and twisted beneath the denim, lumpy and uncomfortable. That, he could survive until he got to the bathroom, so long as Grant didn't notice.

Haleigh quickly sat down, Roger's hot cum gluing her skirt to her ass as Grant and Canden came back in. She slapped her thighs together, remembering the length of her skirt, a barely-audible squelch sounding. Roger smiled at it.

"What is this?" Grant demanded, seeing their desks together. "This is detention. You aren't supposed to be talking. What did I tell you? Do you want another one?"

Haleigh was using a tissue, pretending to blow her nose to deposit her bloomers into her knapsack. Roger drew Grant's attention.

"Yeah, sure," he said with disdain. "Why not?"

"Well then, we'll see you here tomorrow, won't we?"

"Ugh, that is such bullshit!" Haleigh added.

"Well, Miss, I guess we'll see both of you here, won't we?"

Haleigh wasn't sure, but she thought she saw Miss Canden smirk.

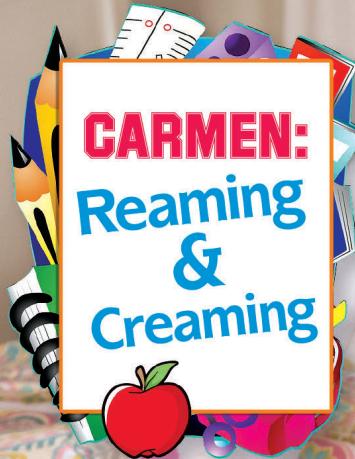

Hmnnn, she thought. Maybe she could convince Shannon to piss off Miss Lind tomorrow or something. Then, all three of them could be here. Hell, Shannon was already waiting for a text from her. She could probably convince her tonight!

## CARMEN: Reaming & Creaming

### **From homework to humping.**

Carmen is studying for a quiz when her dad's friend stops by. Now she's about to be put to a different kind of test. One that involves her handling an older man's big, hard cock. Something tells us she's going to pass with flying colors.

## How'd you end up fucking this guy?

"He's my dad's friend and I always thought he was hot. He came into my room and I instantly got horny. I never expected anything to happen between us, so I actually wanted him to leave so I could masturbate. But then I saw he had a hard-on, and I just went for it. He was into it."

## Was it as good as you hoped?

"Better! He gave me the dicking I needed. His cock was so big and hard I could practically feel it in my belly. He gave me three orgasms and then I told him to cum on my face. He had so much jizz I thought I was gonna drown!" You can watch this scene in *Fuckin' Nerds 3*.
